Program of Events

SHAMWARI
GAME RESERVE

The following times are only an indication and approximate as these may vary according to seasons and weather conditions. All lodges operate independently, each with a full staff compliment including its own management team, chef brigade, hosts and hostesses and experienced field guides. Dinner alternates between the in and outdoor facilities, weather permitting. Although guests may enter and exit the game reserve at any time; we do suggest that guests arrive in time for lunch on their day of arrival as not to miss out on any game drives during their stay. Road transfers can be arranged at an additional cost with reservations.

April/May – August (Winter)

06h30 Wake up call
07h00 A continental breakfast buffet and (plated) hot breakfast is served
